

5 Crystals for Abundance & Prosperity

Red Garnet is a deep, rich red or claret colour that is very beautiful in jewelry. This stone stimulates the base chakra, helps to boost confidence and energy, and also aids in attracting wealth.

Jade is well known for being a stone of both abundance and health, and can also imbue the wearer with the knowledge that the universe is indeed abundant, if one has a problem feeling this truth.

Smoky Quartz is excellent for abundance especially if it has some reddish, orange (citrine) tones in it. Do watch for fakes on the market. A very grounding stone that is light in character, this stone can center you and bring luck. Many people overlook this option but I would give it a try to see if it brings any extra abundance.

Ruby can stimulate abundance, especially red ruby variety. It is similar in most ways to red garnet and carnelian in bestowing confidence, energy and passion. A brilliant stone to wear to attract abundance.

Tigers Eye is a stone of abundance and protection, a power stone. It has a wonderful, powerful energy, and makes a great decoration for the home.
